

# All You Need Is Love

FIRST UMC WEDDING MINISTRY

---

LOVE IS PATIENT; LOVE IS KIND  
... LOVE NEVER ENDS."

---

*Life and love don't stop  
when you are facing financial hardships,  
but often times the last thing you are  
typically thinking about is planning a  
wedding, a celebration of the love you  
share with your partner or a baptism.*

*We at First United Methodist Church of  
Jacksonville understand this  
and want to help.*

*We welcome your application for a  
wedding, vow renewal or baptism for  
those facing financial hardships.*

*We provide pre-marital Christian  
counseling through our pastor, potential  
loaner garments, a professional  
photographer, and more to help you  
celebrate life's special moments!*

*For your life's  
special moments*
